Message from the Principal

Dear Students,

Every achievement of our school is a reflection of your dedication, perseverance, and belief in your own potential. The accolades you have earned—whether in academics, sports, cultural pursuits, or co-curricular activities—stand as proud milestones in our shared journey of excellence.

Our school continues to grow through meaningful initiatives, enriching events, and opportunities that challenge you to think, lead, and innovate. Each event you participate in shapes your character, builds confidence, and prepares you for the world beyond the classroom.

Remember, success is not defined only by trophies or certificates, but by the values you uphold, the effort you invest, and the courage with which you face challenges. Dream big, work sincerely, and never hesitate to strive for greatness.

I am immensely proud of each one of you. Continue to learn, explore, and excel.

With best wishes,
Dr. Richa Prakash

Moot-It-Out & CSR Hackathon

Moot-It-Out, organised by the Nyayarth Club, provided students with a realistic and engaging court simulation experience. Participants assumed the roles of advocates, judges, and litigants, presenting arguments with confidence, clarity, and strong legal reasoning. The event enhanced critical thinking, public speaking, and understanding of judicial procedures.

Alongside this, the Nyayarth Club also organised the CSR Hackathon, encouraging students to brainstorm innovative solutions for social responsibility and ethical challenges. Together, these initiatives reflected the club's commitment to experiential learning, awareness, and intellectual growth.

Inter DPS Football Tournament

The Inter DPS Football Tournament was a thrilling showcase of teamwork, discipline, and sportsmanship. Teams from various DPS schools competed with great energy and determination, turning every match into an exciting display of skill and strategy.

Our players demonstrated resilience on the field, supporting one another through intense moments and hard-fought games. The tournament not only promoted physical fitness and competitive spirit but also strengthened bonds between schools.

It was a proud and memorable experience that reflected the true essence of sports.

DEAR

Activity

DEAR (Drop Everything and Read) is a special activity where everyone pauses their work to read at the same time. During this session, our school experienced a calm and refreshing break from the usual routine. Classrooms and corridors grew quiet as students and teachers immersed themselves in books of their choice.

It was a chance to slow down, step away from screens, and read simply for enjoyment. The activity reminded us that reading is not just for exams or assignments, but also a source of imagination, relaxation, and personal growth, making the experience both meaningful and memorable.

Being associated with Mindscapes has been a deeply rewarding and formative experience.
